SUPPLEMENTAL AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Further to the Amendment filed in connection with the above-identified application on July 25, 2002, please enter the following supplemental amendments and remarks into the file of the above-identified application for the Examiner's review and consideration.

IN THE CLAIMS:

A marked up version of the amended claims, including revisions and insertions, is attached as Appendix A. A complete set of currently pending claims, reflecting these amendments, is attached as Appendix B.

Please rewrite claim 11 as follows, without prejudice:

[Handwritten signature]
B10

11. (Twice Amended) A clamping tool comprising:
- a base member;
 - a bar system mounted to the base member and comprising a plurality of mutually pivotal bars including:
 - an activation bar pivotally mounted to the base member and being provided with a handle member;
 - a rocking bar also pivotally mounted to the base member and operatively connected to the activation bar via a first toggle joint; a clamping bar operatively connected to the activation bar via a second toggle joint and being pivotally mounted to said rocking bar;
